

JK news letter

first week

It was a short week but that didn't stop us from doing lots of work with our teacher Mrs.Raeda.

This week we have been introduced to our new class and new friends. We enjoyed playing with blocks, car track, and our small house. We started our days with opening exercises and circle time.

We did calendar activities which included knowing the days of the week. We even played a game about it when each one of us pretended that he is a day Mrs .Raeda was Friday. We filled our weather chart. We enjoyed some fishbowl fun as we start the count down to our first hundred days in school with an enormous (fish bowl).we will add one (fish)per day to the (bowl)until there are 100 in the bowl.

This week we have been working on recognizing our names we traced them on the board and practiced on our own white boards then we traced them on our work sheets. We promise to practice our names at home many times until we master writing them.

We were introduced to two nice songs this week 'ABC...song ' and 'five little monkeys' we enjoyed singing and dancing with our teacher till we all got tired. We even colored two sheets we did our best to keep the coloring inside the lines and avoid to scribble. Some of us did well others didn't we will keep on tiring till we all maintain coloring inside the lines .Every day we have our snake time at 9:45 then we play out side till 10:15 thanks to Mrs.Merline our aide who helps us washing our hands before and after snack time and recess and whenever we need to; actually we needed to clean them very well after we colored them in red to get our hands impressions.

This week we are learning about the letter Aa we will be reading, learning, singing, making craft about this letter so please send something with your child that starts with this letter for 'show and tell'. Sharing the alphabet with your child helps him to learn the
